**Subject:** NGO meeting request with Avi Gabrow re WV legislation  
[PublicJusticeMeeting Request.pdf](#)

All -- Nina and I have a conference call scheduled today with various lawyers from OGC (suffice to say, we are out-numbered) to discuss the attached request for a meeting with Avi Gabrow from various NGOs. 

Not clear to me at all that this has been coordinated at a more senior management level than Nina and myself.

Will send along a briefing paper describing the outcome of the conference call tomorrow.
